

## **We were given the devastating news just before Christmas 2014, that Henry has a malignant grade 4 Glioblastoma Multiforme Brain Tumour.**

He was advised that it is inoperable and will be given radiotherapy and chemotherapy to prolong his life. We, as family, are searching everywhere for advice, possible surgery, clinical trials and alternative medicines. We are in desperate search for second opinions and advice.

Support 4 Henry is raising money to help Henry Searle and his family search for advice, possible surgery, clinical trials and alternative medicines.

If you would like to do any fundraising events to help Henry, then please email us at [contact@support4henry.co.uk](mailto:contact@support4henry.co.uk) or use the Contact form and we will contact you.

We would also be happy to hear from anyone with any treatments that they feel will assist in Henry's recovery.

Thank you.

Vicki, Jonathan, Henry, Charlotte and Oliver Searle

If you would like to donate, please pay into the account below.:
